## FOR IMMEDIATE RELEASE

### **SABIA, Inc. Announces Move to New World Headquarter**

*San Diego, CA – February 19, 2009* – SABIA, Inc., the leader in advanced elemental analysis, announced the move to its new World Headquarters in San Diego, CA.

On February 2, 2009, SABIA, Inc. opened the doors to its new World Headquarters at 15070 Avenue of Science, San Diego, CA 92128, USA. The 1,700 square foot facility will allow for SABIA's projected expansion in the coming years.

The new facility houses a Research and Development Center, a World Class Training Facility, manufacturing and office space.

SABIA, Inc. is a privately held firm specializing in materials analysis and the associated control and quality assurance of industrial processes. SABIA elemental PGNA analyzers, full line of nuclear analyzer services, and software options provide complete solutions for the coal, coal-fired power, cement, and mining industries.
